

Dr Douglas Shum

Chief Executive Officer, Light of Raphael Limited

Dr. Shum graduated from the University of Hong Kong (BChinMed, MChinMed). Obtained his Doctoral degree from the Guangzhou University of Chinese Medicine. Registered Chinese Medicine Practitioner(HK). Lecturer of Modern Chinese Medicine Nursing in CIHE. Dr. Shum managed a social enterprise clinic for over 12 years that serves low-income families and the underprivileged in HK. During the decade, Dr. Shum developed several medical-social collaboration community health programs that benefited patients, including Neurocognitive

disorder, Stroke, Mental Health & Pain Management.

Due to the 5th wave of the epidemic exposed in HK in the year 2022, Dr. Shum and his team started a pilot project, "Clinic Without Walls". By cooperating with the Neighbourhood Elderly Centre, provide complete telemedicine support including online medical consultation, dispensing, and medicine delivery to singleton elders who are infected with COVID and under home quarantine. "Clinic Without Walls" is an social innovation awarded project selected by the Good Seed and funded by the Social Innovation and Entrepreneurship Development Fund. The project is now also conducting training workshop to skill up elderly able to use their smartphone to access telehealth services. And set up regular online medical support in different elderly centers to serve more elderly in need.

岑康遠博士

仁德之光有限公司總幹事

岑康遠博士畢業於香港大學，獲廣州中醫藥大學醫學博士學位，香港註冊中醫師。管理一家社會企業診所超過13年，歷年來開創多個醫社合作新模式項目。2022年開展了「無牆醫館」項目的雛型，與長者鄰舍中心合作，協助感染新冠病毒的獨居長者，提供遙距中醫醫療支援。「無牆醫館」獲「好耆社」甄選，並得到「社會創新創業發展基金」資助，促進尤其困乏長者使用遙距醫療服務的可能性，並在社區層面建立更多長者友善遙距醫療服務。
